Honorable Members of Congress:

The Louisa County government is writing to express our support for the FY27 Community Project funding request submitted by Fluvanna-Louisa Housing Foundation, a nonprofit organization operating in the jurisdiction.

The Louisa County Board of Supervisors strongly supports the production of affordable housing in the Resource Court development located at 140 Resource Lane, Louisa VA. The support of the BOS has extended to supporting the donation of land for this purpose, exemption from taxation, special exception, waiving of development and permitting fees and support in obtaining funding to lower the expenditure for the development costs. In recognition of the need for additional affordable housing in Louisa County, the Board of Supervisors endorses the collaboration with the Fluvanna-Louisa Housing Foundation in supporting this initiative in Louisa County for the benefit of its residents.

We strongly advocate for the award of funding to this organization and can testify to the fiduciary responsibility. This nonprofit takes the mission of housing seriously and has a positive impact on the lives of Louisa County citizens.

Sincerely,

Christian R. Goodwin, ICMA-CM
County Administrator
