Subject: 2112 Reaney Ave - Front Yard Oak

Good Afternoon,

A City contractor, Hugo's Tree Service, will be out tomorrow to remove the marked oak tree at 2112 Reaney Ave.

The full estimate for the work including City fees will be approximately \$3,175. When you receive the letter in the mail in about 2-3 months, you can call to request to have the amount spread out up to 10 years if you wish.

Please feel free to contact me if you have any questions.

Thanks,
Karl
