To Whom It May Concern,

As a resident of 232 Goodrich Ave. in St. Paul, I received a Sound Level Variance notification regarding Waldmann Brewery's request for September 20, 21, 22, 27, 28, & 29, 2024. I wanted to note that I am in support of their request being approved as I love the richness that the brewery and their events bring to our neighborhood.

Sincerely,
