Subject: Request for Consideration: council meeting Sept 18th at 3:30pm, File #SWRP2402
Date: Thursday, September 19, 2024 9:20:47 AM

Dear City Council Members,

I hope this message finds you well. I am writing to request your consideration regarding the assessment for the recent sewer line repair at my property. This is the second time I have had to address significant issues with this sewer line, and the financial burden has become increasingly challenging. My deepest apologies for submitting this email so late. I was under the impression I was required to attend in person and now after reviewing the letter again it says I need to email or call in.

Given the current economic climate, including rising inflation and property taxes, the costs associated with this repair are particularly overwhelming. I kindly ask that you assess the possibility of applying a much lower interest rate to the repair costs, as this would significantly alleviate the financial strain we are experiencing.

I appreciate your attention to this matter and your ongoing commitment to the community. Thank you for considering my request. I am hopeful for a favorable response.

Please confirm receipt of this message.

Warmest regards,

Katie Fears

Making sure this was received?

Thank you
