

Butch Inks  
Chief of the St. Paul Fire Department  
645 Randolph Ave.  
Saint Paul, MN 55102

Dear Mr. Inks,

I am writing to request a donation of the firefighting equipment and medical supplies to be delivered to Ukraine. The war in Ukraine is still raging and is moving to a very hot phase with many more casualties now and in the near future, especially during winter months. Our continuing support is very valuable as private donations and volunteer efforts are declining and government-sponsored aid focuses on many other areas in need. It appears that there is still a need of the firefighting equipment and medical supplies. We established trusted connections with the first responders in Ukraine. We would highly appreciate your donations. We will facilitate their delivery and distribution in Ukraine as well as provide photo reports.

Sincerely,

Mykola Sarazhynskyy
