Mr. Richard Mulkern just came into the office to appeal his assessment for \$474. He said he sent an e-mail indicating he would appear. He said he took off work to be here and paid to park. I told Mr. Mulkern that he is not on the schedule. Mel and I told him that the e-mail may have been received during the virus when staff did not have access to e-mail.

I offered to take his information and send it to the Legislative Hearing Officer to be considered for his appeal in lieu of him appearing in person. He said that he would rather appeal in person at another time.

I rescheduled Mr. Mulkern to Tuesday, September 16, 10:00. He will be appearing in person.

Mr. Mulkern wanted to know what he could do about his fence. I gave him a claim form to complete regarding his issue.

Interesting note: Mr. Mulkern does not have any type of phone. I said that was unusual. He said that he has not had a phone for 20 years. He said 8% of the population does not have a phone. Everyone has to reach him via e-mail: rik&rocky@juno.com.
