- 1. Call to Order** 7:00-7:05
 - a. Notice of Electronic Meeting and Commissioner and Public Protocol
- 2. Matters from the Public** 7:05 – 7:15
 - a. Comments by the public are limited to no more than 2 minutes per person.
 - b. Comments provided via email, online, web site, etc. (Read by Director)
 - c. Presentations
- 3. * Consent Agenda** 7:15 – 7:20

Action Items:

 - a. * Minutes of June 4, 2020 Meeting
- 4. * Resolutions** 7:20– 7:45
 - a. * Funding Agreement for Rent & Mortgage Relief Program
RMRP Status – Christine Jacobs
 - b. * Grievance Policy & Procedures for RMRP
- 5. New Business** 7:45 – 8:00
 - a. * Regional Broadband Partnership Framework
 - b. Delivery of Draft FY22 Projected Budget
- 6. Executive Director's Report** 8:00 – 8:15
 - a.* Quarterly Financial Reports – FY20 Year End
 - i. June Dashboard Report
 - ii. June Profit & Loss Statement
 - iii. June Balance Sheet
 - iv. June Accrued Revenues Report

Monthly staff activity report
Quarterly Activity Report
- 7. Other Business** 8:15 – 9:00
 - a. Roundtable Discussion by Jurisdiction
 - b. Next Meeting –September 3, 2020
- 8. Closed Meeting - * per Code of Virginia 2.2-3711 A.3.** 9:00
 - a. Discussion or consideration of the acquisition of real property for public purpose. Visitors will be sent to an online waiting room.
 - b. *Public Session Resumes – Visitors allowed back into meeting.

**NOTICE OF ELECTRONIC MEETING
DUE TO COVID-19 STATE OF EMERGENCY**

This meeting of the Thomas Jefferson Planning District Commission is being held pursuant to Item 4.0-01 of the approved state budget (HB 29) that allows public bodies to hold electronic meetings in the current COVID-19 emergency, in that it is impracticable or unsafe to assemble in a single location and that the purpose of the meeting is to discuss or transact the business statutorily required or necessary to continue operations of the public body.

This meeting is being held via electronic video and audio means through Zoom online meetings and is accessible to the public with close captioning and there will be an opportunity for public comment during that portion of the agenda.

Notice has been provided to the public through notice at the TJPDC offices, to the media, web site posting and agenda.

The meeting minutes will reflect the nature of the emergency, the meeting was held by electronic communication means, and the type of electronic communication means by which the meeting was held.

A recording of the meeting will be posted at www.tjpd.org within 10 days of the meeting.

The TJPDC Board of Commissioners are meeting this evening, June 7th at 7:00 PM with a quorum of voting members through electronic virtual communication of Zoom software application. The meeting agenda and virtual meeting address has been posted for one week at 401 Water Street East, on the TJPDC web site and provided to local media outlets and provided to the general public and Commission members. This meeting is open to public viewing and public comment will be allowed through electronic communication at such time as provided on the meeting agenda.

The Governor has declared a state of emergency, the nature of this declared emergency makes it impracticable or unsafe for the public body to assemble in a single location; the purpose of meeting is to discuss or transact the business statutorily required or necessary to continue operations of the public body; the TJPDC shall make available a recording of the meeting on its website in accordance with the timeframes established in §§ 2.2-3707 and 2.2-3707.1 of the Code of Virginia. The nature of the emergency, the fact that the meeting was held by electronic communication means, and the type of electronic communication means by which the meeting was held shall be stated in the minutes of the public body.

We will begin by having each Commission member identify themselves and then TJPDC staff members. We ask that you keep your communication devices on mute until you prepare to speak. In addition, you may "raise a hand" or use the chat feature to initiate a discussion. The public will be muted except for public comment periods. Those wishing to speak are asked to use the raised hand function or chat function of the Zoom program. Participants calling in may press *9 to utilize the "raised hand" function to speak during appropriate times. Staff will assist the Chair in recognizing those who wish to speak and with identifying motions, seconds and votes. Votes will be taken by roll call of the members present by TJPDC staff.

Regional Vision • Collaborative Leadership • Professional Service

THOMAS JEFFERSON PLANNING DISTRICT COMMISSION (TJPDC)

Draft Minutes, June 4, 2020

Commissioners Present:

Dale Herring – Greene County
Dylan Bishop – Nelson County
Keith Smith – Fluvanna County
Andrea Wilkinson – Greene County
Tony O'Brien – Fluvanna County
Donna Price – Albemarle County (7:05 pm)
Lisa Green – City of Charlottesville (7:11 pm)
Bob Babyok – Louisa County (7:28 pm)

Commissioners Absent:

Eric Purcell – Louisa County
Ned Gallaway – Albemarle County
Jesse Rutherford – Nelson County
Michael Payne – City of Charlottesville

Staff Present:

Chip Boyles, Executive Director
Christine Jacobs, Chief Operating Officer
David Blount, Deputy Director - Legislative Liaison
Lucinda Shannon, Transportation Program Manager
Jessica Hersch-Ballering, Transportation Planner

Guests Present:

Sean Tubbs, Piedmont Environmental Council, Citizen
Peter Krebs, Piedmont Environmental Council, Citizen

Note: The Governor has declared a state of emergency due to the COVID-19 pandemic and the nature of this declared emergency makes it impracticable or unsafe for the Thomas Jefferson Planning District Commission to assemble in a single location. This meeting was held utilizing electronic virtual communication with the Zoom software application, and in accordance with virtual meeting procedures and policies as outlined in Item 4.0-01 of the Virginia state budget (HB29), as effective April 24, 2020. A recording of the meeting was made available to the public on June 6, 2020 www.tjpd.org.

1. Call to Order: Dale Herring called the meeting to order at 7:00 pm. He started with an overview of the electronic meeting protocols, to include, informing participants that the meeting was being recorded, that roll call votes would be verbal, that all participants should keep their microphones on mute unless speaking, that the chair will verbally identify who makes a motion and seconds the motion, and that public comments are limited to 2 minutes. He informed participants that TJPDC staff was monitoring the meeting for those requesting to join the meeting late or for unexpected interruptions to the meeting. Ms. Jacobs then read the names of all Commissioners for the roll call. Results of the roll call are noted above.

2. Matters from the Public:

a. Comments by the Public: None

b. Comments provided via email, online, web site, etc.: None

c. Presentations: None

City of Charlottesville

Albemarle County

Fluvanna County

Greene County

Louisa County

Nelson County

401 East Water Street • Post Office Box 1505 • Charlottesville, Virginia 22902-1505

Telephone (434) 979-7310 • Fax (434) 979 1597 • Virginia Relay Users: 711 (TDD) • email: info@tjpd.org • web: www.tjpd.org

3. Consent Agenda: The consent agenda consisted of the draft minutes from the May 7, 2020 Commission Meeting and the Quarterly Financial Report through April 30, to include: the April Dashboard Report, the April Profit & Loss Statement, the April Balance Sheet and the April Accrued Revenues Report

Action Items:

1. Minutes of the May 7 Commission Meeting:
 2. Quarterly Financial Reports
- **On a motion by Donna Price, seconded by Lisa Green the Commission unanimously approved the minutes of the May 7, 2020 meeting.**

4. Resolutions:

a. Election of FY21 Officers: The Commission acted as the nominating committee notifying the Commission of the recommended slate of officers over ten days in advance of the June 4, 2020 meeting and recommended the following slate of officers:

- i. Dale Herring, Chair
- ii. Jesse Rutherford, Vice Chair
- iii. Keith Smith, Treasurer
- iv. Chip Boyles, Secretary

- **On a motion by Donna Price, seconded by Lisa Green, the Commission unanimously agreed to accept the nominations presented.**

There were no additional recommendations for officer nominations from the floor.

- **On a motion by Donna Price, seconded by Andrea Wilkinson, the commission unanimously approved the election of the recommended slate of officers.**

b. FY21 Rural Transportation Smart Scale Funding Support: Mr. Boyles gave an overview on the number of projects that each locality and the MPO could submit for Smart Scale. He noted that a summary of each project was included in the meeting packet. Mr. Babyok asked if projects received priority if they were located within two jurisdictions. Mr. Boyes shared that, no, they did not get priority but that the local governments could prioritize their projects. Ms. Price asked if the MPO was submitting projects for both Albemarle and Charlottesville. Mr. Boyles shared that Charlottesville did not request any projects to be submitted by the MPO this round.

- **On a motion by Donna Price, seconded by Bob Babyok, the commission unanimously approved the FY21 Rural Transportation Smart Scale Funding Support Resolution.**

c. FY21 Rural Transportation Smart Scale TJPDC Request: Ms. Greene asked if projects were connecting to Charlottesville, but not located in Charlottesville, were they City or County project. Mr. Boyles responded that a project would be a County project if located only in the County.

- **On a motion by Donna Price, seconded by Lisa Green, the commission unanimously approved the FY21 Rural Transportation Smart Scale TJPDC Requests Resolution.**

3. Lease Extension for 401 Water Street: Mr. Boyles shared that he continues to look for other sites for lease or purchase. The current building lease expires August 31, 2020. He would prefer to own (since the TJPDC has been leasing for over 45 years). Two years ago, a building committee was formed. To date, there have been no viable options in a central location with ample meeting space.

The current landlord has confirmed that he will not be doing any renovations, other than minor improvements. The lease renewal would include 3% annual inflation with 4% for the first year. The TJPDC is currently paying \$12.35/square foot and utilities are included. Many comparable spaces go for \$20-\$22/square foot with utilities not included. There was a brief discussion about whether the central location of Charlottesville made purchase less feasible. Also, the USDA loan is not eligible within City limits so the County of Albemarle would be centrally located with ample meeting space and ease of commute for staff coming from all localities.

4. **On a motion by Andrea Wilkinson, seconded by Donna Price, the commission unanimously approved the pursual of a lease extension and, after review of the building committee, the acceptance and signature of a 5-year lease agreement on the current building.**

e. Appointment of David Blount as TJPDC Freedom of Information Officer (FOIA): Public bodies are required to have a FOIA officer to review requests. The last General Assembly decision included regional governments in the public body requirements. As Deputy Director, and in his work as the Legislative Liaison, David Blount was recommended for appointment as the FOIA officer. Ms. Green asked if the FOIA role would stay with the Deputy Director position should there be staff turnover. Mr. Boyles stated that the role would be dependent upon the individual and not the position. Mr. Blount shared that the code stipulated that the officer should be a person with knowledge in this area.

- **On a motion by Donna Price, seconded by Andrea Wilkinson, the commission unanimously approved the Resolution to Appoint David Blount, Deputy Director, as the Freedom of Information Act (FOIA) officer.**

5. New Business:

a. Legislative Report: Mr. Blount provided an overview of the memo that was included in the commission packet. He highlighted the following: 1. April state revenue collections fell over 26% from the same period last year (\$700 million). 2. State officials are expecting revenue collections to drop \$1 billion for FY20 and at least another \$1 billion for FY21. 3. State transportation revenues are expected to decline sharply, due to their reliance on retail sales taxes, motor vehicle sales taxes and motor fuel taxes. 4. Revenues to Virginia localities may decline by over \$500 million from losses in sales taxes, meals, transient occupancy, service fees and delinquent payments, and FY21 local revenues could decline by \$1.5 billion or more. 6. There is an expected re-forecast of state revenues in August. A special session of the General Assembly is expected to be called to consider access to reserve funds, lower revenue projections, and budget-cutting amendments. 7. Localities across Virginia are slated to receive more than \$644 million in federal Cares Act money around the first of June to include, Albemarle - \$9.5 million, Charlottesville - \$4.1 million, Fluvanna - \$2.4 million, Greene - \$1.7 million, Louisa - \$3.3 million, and Nelson - \$1.3 million. 8. Nearly \$215 million in CARES Act funding will be sent to Virginia school division in the fall. Allowable uses for the dollars are very flexible, and applications for the funding are due August 1. 9. A final summary of action on legislative bills from the 202 session was distributed in the most recent Legislative Update and is available at the link provided in the memo included in the meeting packet.

b. COVID-19 CARES Act Local Funding: Mr. Boyles shared that the Mayor and Chairs meeting was very successful and included both the Health Department and 4 high-level administrators from UVA. Mr. Boyles noted that a memo from Aubrey Lane, Virginia's Secretary of Finance, was included in the meeting packet. There was a brief discussion about the challenge of knowing if spending was eligible and if it could be done by the expiration date of the grant. Mr. Herring noted that with the need for Broadband, was it possible for localities to join to expand coverages as long as there were not ongoing costs. Mr. Blount shared that they could do so if it was for distance learning or telework but that

projects could not ‘expand capacity’ of the localities. Mr. Herring shared that the Mayors and Chairs meeting was extremely helpful in relaying information to the region.

6. Executive Director’s Report:

- a. Executive Director’s Report: The TJPDC remains strong in its financial position. Net quick assets are \$752,999 with over 7 months of available operating expenses on hand. One area of concern is that the unrestricted cash on hand is at \$102,049 which is 1 month of average monthly operating expenses. The target level is 4 months. This is due to several outstanding payments for work completed. After instituting an improved billing system for work completed, we received \$106,946 so far in May. In April there was a positive net gain of nearly \$4,000 with an anticipated fiscal year net Gain of \$26,000. 83% of the fiscal year is complete and we have received 88% of our total budgeted income. As of April, we have total current assets of \$1,062,550 and total fixed assets of \$10,109. We currently have enough remaining in our grant contract balances to cover average monthly expenses for May and June.
- b. TJPDC Office Activities of COVID-19: COVID-19 has not hurt the TJPDC’s work productivity. Staff will continue to work remotely through at least July 6th with an anticipated return of alternating days to limit staff contact.
- c. Regional Broadband Partnership Update: A draft framework for the creation of a Regional Broadband Partnership is included in the meeting packet. The draft is to obtain the Commission’s direction for staff’s moving the effort forward. The partnership is intended to be a convening and information sharing for bridge-building between stakeholders. Mr. Boyles asked that commissioners email him or Mr. Herring if they had suggestions, questions or comments. Adoption of the framework will be considered at the August commission meeting.
- d. Monthly Staff Activity Report: The report is included in the meeting packet and is for review only.
- e. Other office items: Mr. Boyles highlighted activities of the TJPDC detailed in the memo included in the meeting packet.

7. Other Business:

a. Roundtable Discussion by Jurisdiction:

- Albemarle County: Ms. Price complimented the Fluvanna water tower. She noted that Albemarle was considering a gradual reopening from COVID remote work. The Community Development office continues to stay open, but few other offices are open to the public. The county has continued relatively normal operations. The county is seeking to expand broadband coverage especially since independent businesses have limited accessibility. They are using buses for hot spots. The supervisors are closely watching the budget and are concerned with a reduction in state funds.
- Nelson County: Ms. Bishop shared that the planning commission would begin meeting in July, but that meetings have not occurred to date. She noted that public hearings were on hold until then. She shared that the Claudius Crozet tunnel would be opening in August.
- Louisa County: Commissioner Babyok noted that their board was conducting live meetings w/ six-foot social distancing and up to 10 public participants in the room with alternate row seating. They continue to live stream meetings and have a live telephone bank. The last board meeting included a resolution against racism that included discussion on how they could ‘put teeth into it.’ A public meeting will be scheduled with leaders of prominence in the county. Mr. Babyok shared his disappointment in the Census reporting since so much funding is riding on the responses. To date, only 45% of Louisa residents have responded to the Census. Mr. Boyles shared that Louisa and

Nelson may have the lowest response rate due to the prevalence of 2nd homes, so the percentage does not accurately represent those residing in the county.

- City of Charlottesville: Commissioner Greene shared that the Planning Commission has not yet met but will be testing their first virtual meeting with a public hearing. The comprehensive plan continues to make progress with their #CvillePlansTogether work available on the Neighborhood Develop Services webpage. The council continues to work on the budget.
- Fluvanna: Commissioner O'Brien shared that Fluvanna has continued to operate without the public in person. There has been a great deal of discussion on how to use the CARES Act funding. The county was considering business grants, advertising the use of masks. Mr. O'Brien would like to hear how others are using their CARES money. The water tower is now up and painted.
- Greene County: Commissioner Wilkinson passed her time to Commissioner Herring. Commissioner Herring shared that the board continued to meet and that there were concerns with the impact of Phase II on the schools. With half of the students in the buildings at one time the bus routes would double, increasing expenses. Greene is concerned about the number of families that would consider homeschooling and how it would impact their locality. Mr. Herring shared that the Planning Director in Greene was working with UVA on telemedicine opportunities and the selection of a site in Greene. The board is considering the uses of their CARES Act funding. They are grateful for the money but also concerned about spending it correctly. They have concerns that if they do spend it incorrectly, they will not have the money to repay the state. The board plans to adopt their FY21 budget at the next meeting.

c. Next Meeting – August 6, 2020 (No July meeting): Commissioner Herring thanked everyone for their participation and suggested that next month's meeting would also be electronic. Commissioners will hear from Chip on how to participate.

8. Adjournment:

- **On a motion by Lisa Green, seconded by Andrea Wilkinson, the Commission unanimously voted to adjourn the meeting at 8:27 pm.**

**GRANT AGREEMENT
2020 RENT AND MORTGAGE RELIEF PROGRAM
20-RMRP-024**

This Grant Agreement is made by and between the **Virginia Department of Housing and Community Development (“DHCD”)** and **Thomas Jefferson Planning District Commission (“Grantee”)** for the period **April 1, 2020 to December 30, 2020** in the total amount of **\$450,000**.

DHCD is currently authorized to spend \$50 million to support the Rent and Mortgage Relief Program activities to ensure housing stability across the Commonwealth during the Coronavirus pandemic. In addition to stabilizing housing, efforts to help individuals and families maintain their housing is in the interest of public health. Through the RMRP, financial assistance will be provided on behalf of households who are experiencing housing instability due to the pandemic. The Grant is subject to the terms, guidelines and regulations set forth in the Virginia Rent and Mortgage Relief Program Funding Guidelines (2020) and any subsequent amendments to the guidelines, the laws of the Commonwealth of Virginia and federal law.

I. Scope of Services

Funds are for targeted efforts to support and ensure housing stability for households who are experiencing housing instability due to the Coronavirus pandemic. Eligible activities include rent and mortgage relief, program staff support (up to 10 percent) and administrative costs (up to 5 percent). The program goals are to provide effective and efficient assistance to stabilize housing for individuals and families impacted by the pandemic.

II. Conditions

A. Reimbursement

Funds are disbursed based on payment dates. Grantees must submit remittances in DHCD’s Centralized Application and Management System (CAMS) and provide documentation that the work and services occurred within the grant period and the expenses were paid appropriately by the Grantee. Grantees may elect to submit remittances on a monthly or bi-monthly basis. Supporting documentation must clearly indicate the period for which the reimbursement is requested.

B. Reporting

Grantees must submit reports as required by DHCD. Such reports may include, but are not limited to, outcomes, such as the number of persons served and the demographic characteristics of persons served and program funds expended by activity. Any required reports and their due dates will be announced by DHCD along with any relevant instruction. Submission of reports implies approval from the executive director and is considered final. DHCD reserves the right to withhold reimbursement payments if the Grantee fails to submit the reports.

C. Accounting

The Grantee must adhere to Generally Accepted Accounting Principles (GAAP). The Grantee shall establish and maintain separate accounts within its existing accounting system or set up accounts independently. The Grantee shall record in its accounting system all grant payments received pursuant to the grant and all other match funds provided for, accruing to, or otherwise received on account of the grant.

All costs charged to the grant shall be supported by properly executed payrolls, timesheets, contracts, or vouchers evidencing in proper detail the nature and propriety of the charges. All checks, payrolls, contracts, vouchers, or other accounting documents pertaining in whole or in part to the grant shall be clearly identified, readily accessible, and separate and distinct from all other such documents. Such documents shall reside at the offices of the Grantee.

D. DHCD Notification

Grantee must notify DHCD of any potentially illegal act, such as misuse of grant funds or fair housing violations, immediately upon knowledge of such acts. In addition, Grantee must notify DHCD should any other local, federal or state agency uncover evidence of any potentially illegal act. Grantee must notify DHCD if there is a change in agency management and/or fiscal personnel. Failure to do so will constitute a finding and may result in repayment of funds by the Grantee, the de-obligation of current funding and the preclusion of future funding.

E. Audit

All grantees, sub-grantees, CHDOs, and sub-recipients, localities, developers, or any other organizations that receive funding during a specific program year are required to submit one of the following financial documents: Financial Statement**, Reviewed Financial Statement prepared by an independent Certified Public Accountant (CPA), Audited Financial Statement prepared by an independent CPA or an OMB A-133 Audit (Single Audit) prepared by an independent CPA. Please see the table below to determine which document your organization is required to submit.

The threshold requirements outlined below are the minimal standards required by DHCD. We strongly encourage all organizations receiving funds from DHCD to undertake the highest level of financial management review to ensure practices and procedures are fully examined and evaluated.

Threshold Requirement	Document
Total annual expenditures $\leq$ \$100,000 – regardless of source	Financial Statement prepared by organizations**
Total annual expenditure between \$100,001 and \$300,000 – regardless of source	Reviewed Financial Statement prepared by an Independent Certified Public Accountant (CPA)
Total annual expenditures $>$ \$300,000 – regardless of source	Audited Financial Statement prepared by an Independent CPA
Federal expenditures $\geq$ \$750,000	2 CFR 200 Subpart F Audit - prepared by an Independent CPA

**Does not require preparation by a CPA

Entities shall file the required financial document in the Centralized Application and Management System (CAMS) within nine (9) months after the end of their fiscal year or 30 (thirty) days after it has been accepted (Reviewed Financial Statement, Audited Financial Statement, and OMB A-133 Audit only), whichever comes first.

The full DHCD Audit Policy, including an explanation of the specific document

requirements, can be found online at:

http://www.dhcd.virginia.gov/images/DHCD/DHCD_Audit_Policy.pdf

F. Compliance

Grantees with outstanding audit findings, IRS findings, DHCD monitoring findings or other compliance issues are not eligible to receive allocations. DHCD will work with all interested parties toward the resolution of unresolved matters, where appropriate.

G. Maintenance of Records

Grantees must be able to track and report program activities, household data, and spending separately from other activities. Records shall be readily accessible to DHCD, appropriate state and federal agencies, and the general public during the course of the grant agreement and shall remain intact and accessible for five years thereafter. The exception is in the event that any litigation claim or audit is started before expiration of the five-year period, the records shall be retained until such action is resolved.

H. Costs Incurred Prior To Grant Agreement Execution

No costs incurred prior to the start of the contract period shall be eligible for reimbursement with grant funds, unless incurred costs are authorized in writing by DHCD.

I. State Not Liable

The Grantee shall hold harmless the Commonwealth of Virginia, DHCD, its agents and employees from any and all claims and demands based upon or arising out of any action by the Grantee, its employees, agents or contractors.

J. Expenditure Review

DHCD will monitor expenditure rates to ensure state resources are maximized. Failure to expend funds proportionately throughout the contract period may result in the de-obligation of funds. DHCD reserves the right to de-obligate funds at any time during the contract period and reallocate statewide based on compliance, performance, need, and available funding.

K. Termination, Suspension, Conditions

If through any cause, the Grantee fails to comply with the terms, conditions or requirements of the contract documents, DHCD may terminate or suspend this Agreement by giving written notice of the same and specifying the effective date of termination or suspension at least five (5) days prior to such action.

In the case of contract violation by the Grantee, DHCD may request that all or some of the grant funds be returned, even if the Grantee has already expended the funds. The Grantee agrees to return such funds as requested by DHCD within 30 days of the written request.

L. Subsequent Contracts

The Grantee shall remain fully obligated under the provisions of the Grant Agreement notwithstanding its designation of any subsequent or third parties for the undertaking of all or part of the activities for which the Grant assistance is being provided to the Grantee.

The Grantee agrees to ensure that any contractor or subcontractor who is not the Grantee shall comply with all the lawful requirements of the Grantee necessary to insure that the project for which this assistance is being provided under this Agreement are carried out in accordance with the Grantee's Assurances and Certifications.

M. Default

A default is any unapproved use of grant funds. Upon due notice to the Grantee of the occurrence of any such default and the provision of a reasonable opportunity to respond, DHCD may take one or more of the following actions:

- (1) direct the Grantee to submit progress schedules for completing approved activities;
- (2) issue a letter of warning advising the Grantee of the default, establishing a date by which corrective actions must be completed and putting the Grantee on notice that more serious actions will be taken if the default is not corrected or is repeated;
- (3) direct the Grantee to suspend, discontinue or not incur costs for the affected activity;
- (4) require the Grantee to reimburse DHCD for costs inappropriately charged to the program;
- (5) other appropriate action including, but not limited to, any remedial action legally available, such as affirmative litigation seeking declaratory judgment, specific performance, damages, temporary or permanent injunctions and any other available remedies.

No delay or omissions by DHCD in exercising any right or remedy available to it under the Agreement shall impair any such right to remedy or constitute a waiver or acquiescence in any Grantee default.

N. Conflict of Interest

Grantees/sub-grantees, parent organizations, or subsidiaries may not administer rent and mortgage relief assistance and use the assistance for households residing in units owned by the grantee/sub-grantee, parent organization, or subsidiary.

Individuals (employees, agents, consultants, officers, or elected or appointed officials of the grantee or sub-grantee) may not both participate in decision-making related to determining eligibility and receive any financial benefit. This financial benefit may not be received by the specific individual, any member of his/her immediate family or a business interest. The restriction applies throughout tenure in the position and for a one-year period following tenure.

O. Religious Influence

The Grantee may not engage in inherently religious activities, such as worship, religious instruction, or proselytization as part of the programs or services funded under this grant agreement. If an organization conducts these activities, then they must be offered separately, in time or location, from the programs or services funded under this grant agreement and participation must be voluntary for program participants.

III. Additional Assurances

- A.** Grantee will give the Virginia Department of Housing and Community

Development, the Comptroller, HUD and any other authorized state or federal representatives access to and the right to examine all records, books, papers, or documents related to the Grant.

- B.** In accordance with federal law, grantee will provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin, in any phases of employment or in any phase of service delivery.

IV. Additional Certifications:

The Grantee certifies that it will comply with the following:

- (a) Freedom of Information Act (5 U.S.C 552) and Virginia Freedom of Information Act;
- (b) Virginia Fair Employment Contracting Act;
- (c) Fair Housing Act (42 U.S.C. 3601-20), and implementing measures under:
 - 24 CFR 100 (discriminatory conduct under Fair Housing Act);
 - Executive Order 11063 and regulations at 24 CFR 107 (preventing discrimination on basis of race, color, creed, or national origin);
 - 24 CFR Part 8 (prohibiting discrimination against handicapped individuals);
 - Title VIII of Civil Rights Act of 1968 as amended (prohibiting discrimination based on race, color, national origin, religion, sex, familial status [including children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18], and disability)
- (e) Age Discrimination Act of 1975 (42 U.S.C. 6101-07) and implementing regulations at:
 - 24 CFR 146 (nondiscrimination on basis of age in HUD programs);
 - Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794);
- (f) 24 CFR 574.320 (Federal rent standards for rental assistance, requiring rents to be charged no greater than appropriate Fair Market Rent levels);
- (g) 24 CFR Part 35 (Federal lead-based paint provisions, requiring visual inspections and stabilization of paint before commencement of occupancy);
- (h) Adhere to Executive Orders 11625, 12432, and 12138, that Grantee must make efforts to encourage participation of minority and women-owned business enterprises in connection with funded activities; Encourage participation of locally-owned enterprises in connection with funded activities;
- (i) McKinney-Vento Homeless Assistance Program Regulations;
- (j) Anti-lobbying Certification;
- (k) Drug Free Workplace.

If requested by DHCD:

1. A Grantee that is a unit of local government agrees to assume the status of a responsible Federal official under the National Environmental Policy Act (NEPA)

of 1969 and other provisions of Federal law as specified at 24 CFR 58 and 58.5 and agrees to comply with these NEPA regulations.

2. All Grantees that are not units of local government agree to assist DHCD in carrying out 24 CFR 58 and 58.5.

The Agreement is hereby executed by the parties on the date set forth below their respective signatures as follows:

Grievance Procedures and Policies

The Thomas Jefferson Planning District Commission (TJPDC) recognizes the value of a formalized and written grievance procedure. To that end, each Sub-Grantee providing Program Staff Support for funding received through the Region Ten Emergency Rent and Mortgage Relief Program (RMRP) is expected to have its own grievance policy and procedure approved by its governing board. An overarching procedure for all complaints and formal grievances that affect the TJPDC is contained in this manual. It is in no way intended to replace or supplant any funded Sub-Grantee's policy, or any Sub-Grantee's responsibility to maintain such policies.

Definitions

Complaint is defined as a verbal expression of dissatisfaction by the Sub-Grantee, participant, or community member regarding services provided by the Thomas Jefferson Planning District Commission which can be resolved at the point at which it occurs by the staff present. Complaints are considered resolved when Sub-Grantee, participant, or community member is satisfied with the action taken by the agency in question.

Grievance is defined as a written expression of dissatisfaction with some aspect of the TJPDC's service that has not been resolved despite attempts to do so by Sub-Grantees, participants, or community members at the point of service. Any such written expression sent to the TJPDC will be considered a grievance.

Types of Grievances

Participant/Community Member Grievances: If a participant or community member has a complaint or grievance regarding a Sub-Grantee providing Program Staff Support, it is recommended that they follow the Sub-Grantee's procedures for collecting and resolving complaints or grievances.

An effort to resolve complaints locally should be made before filing a formal grievance with the TJPDC.

Sub-Grantee Grievances: It is the responsibility of all boards, staff, and volunteers of the Sub-Grantees to comply with the Department of Housing and Community Development's (DHCD) Virginia Rent and Mortgage Relief Program Funding Guidelines. Anyone filing a grievance against the TJPDC concerning a violation or suspected violation of the Virginia Rent and Mortgage Relief Program Funding Guidelines must be acting in good faith and have reasonable grounds for believing the TJPDC is violating such guidelines.

An effort to resolve complaints against the TJPDC should be made before filing a formal grievance with the TJPDC. This can be done by contacting the Chief Operating Officer of the TJPDC. If this does not resolve the issue, the Sub-Grantee, participant, or community member may begin the grievance procedure as stated in the policy below.

Policy: Grievance

It is the policy of the TJPDC that its Sub-Grantees, participants, and community members will have a fair and efficient process to present and resolve grievances.

Procedure for complaints regarding the TJPDC

1. Any person wishing to file a grievance should submit a written statement to the TJPDC Executive Director describing the alleged violation and any actions taken on behalf of the person or agency

Approved by the TJPDC Commission _____

to resolve the issue. The statement should be as specific as possible and contain the name and location of the agency, date and time of incident, and any other details that may be helpful to the TJPDC staff as they investigate the incident. Grievance paperwork filed with the TJPDC Executive Director must provide the name and contact information of the individual(s)/agency filing the grievance so that TJPDC staff can contact them to discuss the grievance. Identifiable information of the reporting person will be considered confidential and is only collected to enable further investigation of the grievance. Grievances that do not contain contact information of the person filing the grievances, or grievances filed by a third party, will not be considered and no further action will be taken.

2. Grievances must be filed with the TJPDC Executive Director within 30 calendar days from the date of the incident.
3. The Executive Director will notify the Region Ten Emergency Rent and Mortgage Relief Program (RMRP) Advisory Committee of the grievance within 7 calendar days of its receipt.
4. The Executive Director will review all information, conduct interviews with the reporting person/agency stated in the grievance, and gather relevant information about the situation. The review process will be completed with 14 calendar days from the date the Executive Director provided notification to the RMRP Advisory Committee.
5. Following the grievance review, the TJPDC Executive Director will provide to the individual/agency, as well as to the RMRP Advisory Committee, a written statement summarizing the outcome of the grievance review, including the corrective action required and a timeline to complete corrective actions. Proceedings should be conducted honestly, fairly, and without bias. All efforts should be made to resolve grievances in a timely manner. The time frames provided indicate a maximum number of days for each step in the process.

Grievance Appeal Procedure

If the proposed resolution is not satisfactory to the individual/agency filing the grievance, s/he will be advised to file an appeal with the RMRP Advisory Committee.

1. The appeal must be submitted in writing within 7 calendar days from the date marked on the determination letter from the Executive Director. Appeals received after 7 calendar days from the date of the letter will not be reviewed.
2. The RMRP Advisory Committee will notify the TJPDC Executive Committee within 7 days of receiving a written appeal.
3. The RMRP Advisory Committee will review the appeal and may designate one or more committee members or other assigned members to review the appeal, supporting documentation, and collect additional information necessary to consider the appeal. After gathering relevant information, the RMRP Advisory Committee will review all collected information and make a determination as to whether the TJPDC Executive Director followed the grievance procedure and the corrective action was reasonable based on the evidence presented. An RMRP Advisory committee member or designated member(s) will inform the appealing party in writing of their determination within 14 calendar days from the date of the appeal letter. The decision of the RMRP Advisory Committee is final.

All complaints or grievances involving vulnerable adults or youth under age 18 will be immediately turned over to the appropriate local office.

Approved by the TJPDC Commission _____

Grievance Timeline

Step 1: Incident Occurs

- A written grievance can be filed within 30 calendar days from the date of the incident.

Step 2: Grievance Filed

- TJPDC Executive Director will notify the RMRP Advisory Committee of the grievance within 7 calendar days from receipt.

Step 3: Agency Response and Outcome

- TJPDC Executive Director will review the grievance and provide a written determination letter to the individual/agency filing the complaint and the RMRP Advisory Committee within 14 days of receiving the written grievance.

Step 4: Appeal

- An individual/agency can submit an appeal to the RMRP Advisory Committee within 7 calendar days of the date marked on the determination letter.

Step 5: Response to Appeal

- The RMRP Advisory Committee shall review and make a final decision within 14 days from the date on the appeal letter.

This policy and current members of the RMRP Advisory Committee shall be posted on the TJPDC and each Sub-Grantee web site and program documents.

Approved by the TJPDC Commission _____

Regional Broadband Partnership (RBP)

OPERATIONAL FRAMEWORK

Thomas Jefferson Planning District Commission
AUGUST 2020

HISTORY

On December 31, 2019 the U.S. Centers for Disease Control and Prevention (CDC) became aware of a new infectious disease caused by a newly discovered coronavirus, COVID-19, in China. The COVID-19 virus spreads primarily through droplets of saliva or discharge from the nose when an infected person coughs or sneezes. The virus begins to spread throughout the U.S. in March, 2020. By mid-March, many states including Virginia, had instituted “stay-at-home” direction, recommended remote work practices and limited gatherings in both private and public spaces. In May, 2020 many states began lifting a limited number of the social distancing directives, but while both new cases and death related COVID-19 cases continue to rise. The coronavirus began in the US in more populated cities and regions but is now increasing in more rural areas of America. As of May 28, 2020, there had been documented 1,721,926 cases and 101,621 deaths in the US. Health officials cannot determine how long it will take to create and administer a vaccine to combat the virus. It is widely accepted by Health officials and offered by Harvard scientists that social distancing may occur into 2022.

Social distancing has increased the demand on high speed internet reliance for families, businesses, healthcare and education. Remote work practices for non-essential workers require access to both broadband services and high-tech software applications. Zoom, an online virtual meeting software application has grown from 10,000,000 meeting participants before January 1, 2020 to 300,000,000 participants by April 23, 2020. Foot traffic to non-grocery retail stores declined more than 97% during the last two weeks of March. Online sales of companies such as Amazon have grown 35% over the same time period last year. K-12 and higher education schools began to close in March transitioning to on-line classes. To preserve much needed hospital space for coronavirus patients and to adhere to social distancing guidelines, healthcare eliminated non-emergency procedures and turned to on-line visits and prescriptions. One of the hardest hit industries, restaurants, moved to delivery and curbside service only assisted through on-line ordering application. As restrictions are minimized, many social distancing practices will remain in effect for many months to come.

Families, businesses, children and individuals without access to adequate internet and/or those without the equipment and skills to optimize internet use, will be left behind during a time when even the most advantaged may be struggling to adapt to the new ways of commerce, education, work production and healthcare. Elderly persons, especially in rural areas, are disadvantaged experiencing lack of broadband infrastructure, lack of equipment and devices and lack of experience and training in using required equipment and software access.

The need of expanded broadband in many areas of the US, but predominately in the rural areas is not new and is not caused by the changes due to COVID-19. The need is only magnified during this time and during this change in culture.

The Federal Communication Commission estimates that in 2020, as many as 500,000 living in rural Virginia do not have broadband access in their homes. Virginia officials estimate this number at 600,000. This number does not include the number of businesses in rural Virginia without broadband access. A recent study by the Region 9 GO Virginia Council, Rural Entrepreneurship Action Plan, April 30, 2020, found the need for rural entrepreneurship in our region to link ecosystems in areas of broadband, affordable housing and COVID-19 response and recovery.

Identified needs and push to expand coverage within and among the counties of our region has been ongoing for several years. Recently counties have created broadband authorities, have invested in varying types of internet technology and coverage and have partnered with private and cooperative entities to expand coverage. Local governments have applied and been awarded state and federal moneys for expansion projects and have heavily lobbied the General Assembly for additional funding for expanding coverage. While in a positive direction, this has been slow at best.

RBP Overview

In May, 2020, the Thomas Jefferson Planning District Commission (TJPDC) identified that improved broadband accessibility is a focus of all localities of the planning district, whether directly or indirectly. While the TJPDC has been working with local governments individually, with the General Assembly and state officials for statewide changes, and assisting regional cooperatives with new broadband planning ventures, the TJPDC has never formally pursued an organized regional facilitation and convening effort. At the May TJPDC Commission meeting, commissioners asked staff to create a framework of what that effort would entail.

The Commission determined that internet accessibility should also be considered as a regional issue. The Commission saw several opportunities for improving the communication, coordination, and collaboration between both the six localities and the multiple primary stakeholders in broadband demand and supply; businesses, non-profit agencies, K-12 school, technical colleges and higher education, local, government, emergency management, healthcare, cooperative utilities, private communication providers, IT application providers, and state officials.

In May of 2020, the TJPDC co-chaired an Economic Infrastructure Committee of the Charlottesville Regional Chamber of Commerce's Project Rebound. Broadband was identified as a priority growth area toward restoring business operations during and post COVID-19. Other committees included; Small Business, Arts and Creative Economy, Hospitality & Tourism, Key Industry Clusters, IT-Financial-Defense, Biotech-Manufacturing-Food & Beverage, Anchor Institutions, and Non-profit. A copy of the full recommendations of Project Rebound will become part of this framework.

The Charlottesville Area Alliance (working toward an age-friendly community) has identified improved internet availability and use as a priority in its five year action plan. Adequate broadband coverage and training to use is necessary for all ages in the areas housing, transportation, social inclusion and healthcare.

Because of the identified historical needs of expanded broadband accessibility in the region and the more urgent crisis needs due to COVID-19, the staff of the TJPDC in agreement with the Commission, recommend the immediate exploration of a Regional Broadband Partnership to facilitate a regional organized effort to expand both broadband accessibility and information technology services and to facilitate broad stakeholder groups for immediate and longer-term support of these efforts.

Purpose:

The Regional Broadband Partnership (RBP) is an information and advisory board, created by the Thomas Jefferson Planning District Commission, in partnership with multi-sector stakeholders related to needed services of high-speed internet supply, demand and use. Composed of an overarching consortium of information technology interests, the Partnership will enhance regional coordination and effectiveness.

Objectives:

The primary objective of the RBP is to be a united voice to inform and advocate for all stakeholders through leadership, knowledge sharing and common understanding of the current and future needs of high-speed broadband internet services in the region.

Immediate Services

Convening
Facilitating
Information Sharing
Existing Data and Reports
Collaboration
Inclusion of Broadband into regional planning efforts of housing, economic development, health, aging, transportation, etc.
State Advocacy

Potential Future Services

Mapping
Data
Public Outreach / Surveying
Technical Assistance & Training
Capacity Building
Planning
Grant writing
Regional Authority

Function:

The RBP will be an advisory board that generates research on broadband-related issues and makes recommendations to local government and regional stakeholders. The Partnership will address the high-speed internet needs of the Thomas Jefferson Planning District's region, with a focus on expanded connectivity, affordability and technical use of applications. TJPDC staff on behalf of the RHP will initially:

- Provide a meeting space and coordination;
- Take meeting minutes;
- Prepare meeting packets;
- Coordinate studies and analysis for Partnership consideration;
- Develop and gather data and report on local and regional broadband accessibility measures;
- Facilitate continued communication, cooperation, and coordination on broadband matters; and,

- Forward all recommendations to RBP members, member organizations, and other appropriate entities;
- Monitor and report on state and federal broadband issues and initiatives.
- Propose an annual TJPDC budget for RBP support and activities.

Each locality will maintain its existing structure for addressing internet-related issues. The RBP partnership will focus on macro-related issues, such as policies, infrastructure funding opportunities, information sharing and coordination/partnerships between stakeholders and state advocacy.

Funding:

As this is a regional effort, the TJPDC will staff the RBP from its current staff funded through local and regional per capita contributions. To accommodate this effort at this time, assistance to individual jurisdictions will be diminished to provide support to the RBP. While convening, facilitating, compiling materials, drafting, organizing, and reporting is covered by the TJPDC staff member, additional studies, services and special project development will require additional or alternate funding sources.

Composition:

The composition of the RBP includes stakeholders from the public, private, nonprofit, and citizen sectors in the City of Charlottesville, Albemarle County, Greene County, Nelson County, Fluvanna County, and Louisa County. The composition may change with time as the Partners meet and identify other relevant stakeholders. Initially, the RBP will include one representative from each organization unless noted otherwise. The roster includes Partners and Stakeholders. There shall initially be no voting members. The TJPDC Assistant Executive Director shall act as Chair for meetings and agenda setting. In their absence, the Chair shall appoint a temporary replacement.

Members

Partners: Partner Membership in the Partnership will be open to the public for as broad an input range as possible. Key stakeholders will be solicited to join and other interested parties will submit requests to join. It is estimated that this group will meet between two and four times per year.

Advisory Panel: The Thomas Jefferson Planning District Commission will appoint an Advisory Panel. This group of cross jurisdiction and cross sector of public and private stakeholders will guide the work and direction of the staff within available time and resource constraints. The Advisory Panel will advise and make recommendations to the TJPDC, local governments and IT sector businesses on broadband and technology issues that are regional in nature. This group will meet between 6 and 12 times per year.

- City of Charlottesville Elected or Planning Commission Official (1)
- Albemarle County Elected or Planning Commission Official (1)
- Fluvanna County Elected or Planning Commission Official (1)
- Greene County Elected or Planning Commission Official (1)
- Louisa County Elected or Planning Commission Official (1)
- Nelson County Elected or Planning Commission Official (1)
- Public School Systems (6)
- CNE Staff Representative (1)
- Charlottesville Regional Chamber Staff or Business Member (1)
- *Ting Representative (1)*
- *Firefly Representative (1)*
- *AT&T Representative (1)*
- *Comcast Representative (1)*
- *Dominion Power Representative (1)*
- *Century Link Representative (1)*
- *SCS / AcelaNet Broadband (1)*
- *Verizon Internet (1)*
- TJPDC Appointed Citizen/Resident Representative (Urban) (1)
- TJPDC Appointed Citizen/Resident Representative (Rural) (1)
- University of Virginia (UVA) (1)
- Thomas Jefferson Planning District Commission Commissioner (1)
- Piedmont Virginia Community College (1)
- Virginia Department of Housing & Community Development (1)
- *Region Ten Health District (1)*

RBP member may appoint an alternate to serve in their absence.

Exploratory Committee:

A group of identified regional internet leaders will be appointed by the TJPDC Executive Director to create an exploratory group to review and revise initial structure, function and goals of a regional Broadband Partnership. The exploratory group will help determine the need and direction of a Partnership. It is the Group's responsibility to provide a recommendation to the Thomas Jefferson Planning District Commission through the Executive Director.

Organizational Structure:

The RBP would consist of an Advisory Board that includes all members as listed and as revised by the Partnership.

Meeting schedule:

The RBP Advisory Panel will initially meet every other month.

The RBP Partners will initially meet quarterly until a schedule and work plan is established.

The Panel and Partners will determine meeting frequencies and schedules.

Deliverables/Strategies:

The RBP will act as an advisory body until such time as the mission is altered and resources to expand responsibilities are achieved. Documents and responsibilities include:

- **RHP Mission, Vision, and Goals:** This advisory board may develop a refined mission statement, vision, and goals.
- **Set the Work Scope:** The Advisory Panel will be responsible for synthesizing feedback from the Partners to form a scope of work for the RBP.
- **Assign Working Committees (as needed):** Should a focus group need to be formed, the Advisory Panel would be responsible for creating working committees and assigning members to the committees. The working committees would function as technical support groups with a stated purpose and goals.
- **Keep Communication Open:** The RBP will strive to make communication open and timely to facilitate strong collaboration between all stakeholders.
- **Coordinate Regional Broadband and IT Summits:** The Partnership would work to identify educational and advocacy topics of interest to design and implement IT summits on a given internet and technology-based topics and share through public summits.
- **Produce Annual Reporting:** The Partnership would develop a means to report on broadband related topics annually to all stakeholders.
- **Integrate Broadband into Decision-Making:** The RBP would work to integrate broadband considerations into planning efforts around the region. The Partnership would make recommendations to local planning efforts and projects.
- **Provide periodic reporting to TJPDC Commission:** Provide no less than twice a year reports of progress to the TJPDC Commission.

Timeline:

As there are immediate needs with identifying broadband strategies that will best meet the unmet communication needs, the RBP will be established as soon as possible. The following timeline sets an outline for establishing the RBP and resolving pending concerns, while planning for future opportunities.

A formal proposal will be submitted to the TJPDC in August, 2020. The TJPDC Assistant Executive Director will work with the Exploratory Committee to develop the recommended proposal and RBP Framework. Until a formal Partnership is established, the Exploratory Committee will work with TJPDC to pursue immediate broadband efforts. The first RBP Advisory Panel will meet in September, 2020. The first quarterly meeting of the RBP Partners will meet in October, 2020.

Published January, 2020

MEMO

To: TJPDC Commissioners
From: Chip Boyles, Executive Director
Date: August 6, 2020
Re: Executive Director's Report

Purpose: To review the current agenda packet and inform Commissioners of Agency Activities since June 4, 2020

Administration

- August 6, 2020 Meeting Agenda

1. Call To Order

- a. Reading of the Electronic Meeting Notice

2. Matters from the Public

- a. Comments from public
- b. Comments received via written and electronic communication

3. Consent Agenda

- a. Minutes of the June 4, 2020 Commission meeting.

4. Resolutions

- a. Funding Agreement for the Rent & Mortgage Relief Program
The TJPDC was awarded a grant of not less than \$450,000 and expected to reach \$2,200,000 to provide rent and mortgage relief assistance to families making 80% or lower average median income within our region. The TJPDC entered into this agreement to initiate relief assistance beginning July 15th. The TJPDC entered into sub-grantee agreements with the United Way, MACAA and Nelson County Community Development Foundation to perform intake and payment services. The TJPDC receives 5% of the total grant amount for administrative services. Regional funds were apportioned to each jurisdiction based upon per capita distribution. Any funds not utilized by a jurisdiction will be equally distributed among the remaining localities. Christine Jacobs, Chief Operating Officer and program manager for this effort will provide you a verbal report with the most up to date assistance numbers from the program.

Staff asks for a motion to, “approve the agreement between the TJPDC and Department of Housing and Community Development for the Rent & Mortgage Relief Fund”.

- b. Grievance Policy and Procedures for RMRP.

In the above agreement for the RMRP, DHCD requires an approved grievance procedure for the program. Staff has developed the attached policy to meet this requirement. Staff initiated a TJPDC Grievance Committee to act as both advisory committee and to hear grievances based upon actions of the TJPDC. Sub-grantees must have their own grievance policies and committees to consider initial grievances. The TJPDC committee consists of housing stakeholders, local government housing representatives, non-profit housing representatives, legal representation and citizens assisted through the RMRP.

Staff asks for a motion to, “to approve the RMRP Grievance Policies and Procedures as presented.”

5. New Business

- a. Attached is a draft Regional Broadband Partnership framework. To meet ongoing needs and expanded needs from the current pandemic, regional discussion and facilitation is needed to expand broadband internet coverage into all areas of the region. Lack of adequate broadband hinders educational, business, health and quality of life opportunities within our region and is especially important to the lower income rural families. Unfortunately, due to current workload, a finalized draft is still being worked on.

Staff asks that the Commission to review and if acceptable, provide a motion to” accept the Regional Broadband Partnership Framework and initiate implementing the framework”.

- b. Each fall, the TJPDC prepares a projected budget for the following fiscal year to be submitted to local governments with the next year’s local funding requests. Charlottesville and Albemarle have recently asked for funding requests in early October. This requires the TJPDC to approve a Projected Project at their September meeting. While COVID-19 may alter the deadlines for submissions, we do not yet know how. Therefore, we are following last year’s schedule with providing you a draft in August with an expected approval in September. This is just a Projected Budget and the official FY22 budget will be presented to you in April/May 2021.

The FY22 Projected Budget is a balanced budget with assumptions of only known revenue sources and expenses. It does not anticipate a per capita rate increase for the local governments and does not anticipate any salary increases for staff. The official FY22 operating budget will change very much when additional grant programs are identified and when rollover amounts from current grant are known.

Staff asks you to review, comment and ask questions prior to a full discussion and consideration of adoption in September.

6. Executive Director's Report

a. June Year-end Financial Report

Dashboard Report

Net quick assets have increased to \$751,339. Based upon the twelve-month average for operating expenses, we have over 7 months of available operating expenses. Our current goal is 5 months of available operating expenses. Funds available in our Capital Reserve Account are \$224,484. (Net Quick Assets minus 5 months operating expenses: $\$751,339 - \$522,855 = \$224,484$)

Unrestricted Cash on Hand as of June 30, 2020 was \$172,222 or 1.67 months of average monthly operating expenses. 4 months is our current target level and concern level is less than 2. Our accounts receivables are at \$355,934. vs \$193,478 for the same time last year. At this time, invoices have been sent for all current completed work and current receivables. Receivables will be running high as we finish some ongoing projects that we have fully billed out. A past practice had been to bill these overages to admin but now we continue to bill to the projects so that we can document the full work to our local governments. The losses will be billed to our per capita revenue account. Since the closing of financials for June, we have received the 2nd and 3rd quarter payments for the HPG program USDA in an amount just over \$80,000.

Revenue less Expenses - We had a net Gain of \$14,870 for the month of June. This gives us a fiscal year net Gain of \$33,863. Budgeted fiscal year gain/loss is \$40,908. With a higher than expected IT server maintenance and with COVID-19 changes to billable work, we expected a lower year-end net gain. You may note that the Dashboard monthly net revenue is approximately \$5,000 different from the final Profit & Loss Statement annual revenue. This is due to a reclassification of IT equipment & long term software originally classified as operating expenses that reached the level of investment to be reclassified as assets. Staff did a great job completing work in April through June allowing more time to be billed to ongoing programs. Many of the funds would have been lost if not billed.

Profit & Loss. Total income through June is \$2,005,733. With 12 months or 100% of the fiscal year complete, we have received 105% of our total budgeted income. Total expenses are \$1,971,870 or 103% of the budgeted total expenses of \$1,905,408. Pass through grant expenditures of HOME and HPG are higher than expected causing the increase above 100%.

Operating expenses for the same period are \$1,255,001 or 95% of our total budgeted operating expenses of \$1,314,399. Operating revenue through June is \$1,288,864 or 95% of the budgeted operating revenue of \$1,355,307.

Balance Sheet. As of June 30, 2020, we have total current assets of \$1,453,456 and total fixed assets of \$17,839 giving total assets of \$1,471,294. Total assets are up by \$490,206 from the same time last year. Fixed assets have increased substantially due to the purchase of new computer server, related software and equipment. Cash has increased due to the \$450,000 receipt of the RMRP pre-funded grant. Payments to sub-grantees did not begin until July. There is an offsetting deferred revenue liability for this payment.

Total liabilities have increased from a year ago by \$457,744 mostly due to the RMRP payment of \$450,000 with total liabilities as of June 30, 2020 of \$744,916. Total Equity has increased by \$32,462 to \$726,378 since the same time last year.

Accrued revenues of existing grant and contract balances for FY21 are shown. We currently have \$1,307,727 operating funds available in contracts and grants for the fiscal year. June operating expenses were \$95,200. The 12-month average is \$104,571. The accrued revenue is updated monthly adjusted for new grants & contracts and fiscal year roll over funding.

As a reminder, it is our goal to build our reserves back to and above FY12 levels (year-end FY12 = \$579,293) where we will have 1) at least 6 months operating expenses in reserves 2) utilize reserves for unanticipated grant match for local/regional grant opportunities and 3) to save for the possible purchase of a building (space) at some time in the future.

- b. Monthly staff activity report
 - 1. The staff monthly activity report is provided with projects and staff assignment listed for any questions.
- c. Quarterly Activity Report
 - 1. The quarterly activity narrative is provided for a quick review of work and events of the TJPDC during the April to June quarter.

7. Other Business

8. Closed Meeting

- a. Staff has identified a property to be considered for purchase for relocation of the TJPDC offices. Acquisition of property is an agenda eligible for discussion in a closed meeting. If needed, the Commission may make a motion to go into closed session to discuss real estate matters. The required motion and process is provided. Information will be provided under separate means for discussion. Commission may in open meeting consider a resolution providing direction to move forward with an offer and loan application. Confidential documents will be provided under separate mailing.

Resume open meeting.

Consider a resolution to approve offers and loan application.

9. Adjourn

SUMMARY OF TJPDC ACTIVITIES SINCE JUNE 1, 2020

TJPDC staff have begun to spend limited time working in the office with the rest of each work working remotely. Technology advancements and education on our part is making this work seamlessly. Safety precautions have been introduced when workers are in the office. There are no outside meetings, masks are required outside of private office spaces, staff desks have been rearranged to meet safe distancing practices, hallways and other limited space areas have been closed, point of contact areas have been minimized and PPE and informational materials have been posted throughout the building and at entry points and entry points have been limited. Working remotely did identify some technology issues with older laptops and we had to order two new laptops to replace units that were five years old.

The biggest new work activity since June has been the award of the Rent & Mortgage Relief Program. We received an initial \$450,000 grant and is expected to grow to \$2,200,000 if the regional demand is shown, for grants to landlords and mortgage holders for past due payments of families with incomes of 80% or below. Christine will provide an oversight of this program and answer questions. She and her staff have done a better than excellent job implementing this program regionwide with less than two weeks' notice from award to receiving calls for assistance. The TJPDC will receive between \$22,500 and \$110,000 administrative fees for this program.

The Regional Housing Partnership continues to work and have begun implementation of one of their priority strategies, development of a regional affordable housing web portal and available affordable housing search engine for rental and homeowner opportunities. The RHP is working with both local governments and the Charlottesville Area Community Foundation to obtain the necessary \$25,000 to fully implement. If needed, the RHP has committed half of their annual TJPDC toward this project if no other funding sources materialize. This would be an eligible use of local governments CARES Act funding. The RHP believes that it is very important to have this program running in time to assist families negatively effected by COVID-19 and facing evictions.

The Transportation staff have been working diligently on submission of smart scale funding applications due August 17th. The MPO intends to submit three applications and the TJPDC four applications.

We continue to wait to see if we will receive awards for two transit planning grants, the Amtrak study grant and Susan has been working with the Rappahannock Rapidan PDC on a joint application for a regional economic development plan. Currently with the RMRP, our FY21 budget looks to be easily balanced. We are watching though what the General Assembly does in August regarding state budget approvals. We have a concern for our Rideshare Program may experience large budget cuts for FY21 and FY22. We will update you as changes occur.

Staff is assisting Nelson County with a GO Virginia Grant, Crafting a New Normal, helping the beverage industry reassess and plan for business growth during and post COVID-19.

The MPO staff has worked with DRPT for the new bus service beginning in August connecting Charlottesville to Dulles and Union Station with daily connections. The pickup / drop off point in Charlottesville is at Barrack's Road at Arlington Blvd.

As agenda time permits, we will provide specific project updates to you at future meetings.

Please contact me or any staff member with questions that you may have form on any of the reports provided.

END OF AGENDA REPORT

FINANCIAL DASHBOARD Through June 30, 2020

NET QUICK ASSETS

Target = \$522,855 (5 months operating expenses)
12 Month Average Monthly Operating Expenses = \$104,571

Jun'19 = \$730,707
Jul'19 = \$725,313
Aug'19 = \$723,877
Sep'19 = \$725,255
Oct'19 = \$735,829
Nov'19 = \$710,578
Dec'19 = \$745,566
Jan'20 = \$713,207
Feb'20 = \$719,287
Mar'20 = \$744,936
Apr'20 = \$752,299
May'20 = \$744,520
Jun'20 = \$751,339

NET QUICK ASSETS are the highly liquid assets held by the agency, including cash, marketable securities and accounts receivable. Net quick assets (NQA) are calculated as current assets (cash + marketable securities + prepaid assets + accounts receivable) minus current liabilities of payables and deferred revenue. The target is 5 months of operating expenses (TJPDC costs minus pass-through and project contractual expenses), based on a rolling twelve-month average. The Commission has earmarked excess NQA above the target as Capital Reserves. TJPDC had just over 7 months of operating expenses at the end of the month. The rolling twelve-month average operating expenses increased at \$104,571. The 3-month average of expenses is \$105,305. Actual operating expenses for June were \$95,200 compared to \$106,996 in May. Capital reserves = \$751,339 - \$522,855 = \$224,484.

Unrestricted Cash on Hand

Target = \$418,284 (4 months operating expenses)
Alarm = <\$209,142 (average oper exp 2 mos)

UNRESTRICTED CASH ON HAND consists of funds held in checking and money market accounts immediately available to TJPDC for expenses. Cash does not include pass-through deposits in transit. Total cash minus notes payable minus deferred revenue = Unrestricted Cash on Hand.

MONTHS OF UNRESTRICTED CASH divides unrestricted cash

on hand by the agency's average monthly operating expenses to give the number of months of operation without any additional cash received. The end of month level of Unrestricted Cash on Hand of \$174,343 represents 1.67 months of operating expenses, over 2 months below the 4-month target and below the 2-month alarm level. Unrestricted cash has increased from an April level of \$102,049 to \$172,222. We have since June received overdue 2nd & 3rd quarter USDA payments for the HPG of approximately \$80,000.

FINANCIAL DASHBOARD Through June 30, 2020

Monthly Net Revenue

Jun'19 =	\$15,756
Jul'19 =	(\$6,706)
Aug'19 =	\$3,765
Sep'19=	(\$2,733)
Oct'19=	\$10,130
Nov'19=	(\$16,753)
Dec'19=	(\$3,154)
Jan'20=	\$4,862
Feb'20=	\$8,863
Mar'20=	\$24,130
Apr'20=	\$3,722
May'20=	(\$2,591)
Jun'20=	\$14,870

NET REVENUE is the surplus or shortfall resulting from monthly revenues minus expenses. The FY20 Budget adopted in March 2020 is estimating a \$40,908 net gain. There was a loss for the month of May of \$2,651 but a gain in June of \$14,870 resulting in a net gain of \$ 33,863 for the year to date. (Expenses are revised over time as they may be reclassified from operating expenses to assets) The Accrued Revenue Report shows available funds of \$124,142 per month for FY20. Actual operating expenses for June were \$95,200.

NOTES

1. Target is a reasonable expectation that the TJPDC may reach this level to achieve our long-range financial goals. A plan will be developed showing how these target goals are expected to be achieved through daily financial management practices.
2. Concern is a level where staff will immediately identify causes of the change in financial position, whether this is a special one-time circumstance caused by a financial action or whether a trend is emerging caused by one of more operational or financial circumstances and prepare a plan of action to correct or reverse the trend.
3. Back up documentation and details of this Financial Dashboard can be found in the monthly financial statements of Balance Sheet, Consolidated Profit and Loss Report, and the Accrued Revenue Report supplied to the TJPDC Commissioners.
4. The average monthly operating expense is a rolling twelve-month average of operating expenses (TJPDC costs minus pass-through and project contractual expenses).
5. The TJPDC earmarked some of TJPDC's reserves for a building or capital fund in FY18, tied to Net Quick Assets.

THOMAS JEFFERSON PLANNING DISTRICT COMMISSION

Summary of Activities

April through June 2020

Environment:

An interim report on progress this year on the **Chesapeake Bay Watershed Implementation Planning (WIP) Assistance program** was submitted June 30. Staff has been working on Water Quality Guide booklets, which are being created as part of the WIP contract. The TJPDC has submitted a \$50,000 **Resilient Communities grant application** to the National Fish and Wildlife Foundation (NFWF); word on whether the application is successful should come in September. In conjunction with the Rivanna Stormwater Education Partnership (RSEP), posts are being shared on the #LoveYourWatershed social media campaign.

The TJPDC has been awarded \$67,200 by FEMA to update the region's five-year **Hazard Mitigation Plan**. Work on the plan is scheduled to begin soon. TJPDC has served as the grantee for the regional Hazard Mitigation Plan process since the initial 2006 plan and for five-year updates completed in 2012 and 2018. The next update must be finished by the spring of 2023.

An August meeting of the **Rivanna River Basin Commission (RRBC)** is being planned, with the annual Fall Conference also being scheduled for September 25. Work also is being done on an application for a grant to conduct education and outreach for K-12 students, which is due in September. Activities envisioned include videos for schools and social media platforms and outdoor activities for students.

Housing:

In late June, the TJPDC was awarded over \$450,000 to launch an emergency mortgage and rental assistance program that is expected to keep individuals and families in their homes within the TJPDC region. The **Rent and Mortgage Relief Program (RMRP)** is a partnership with the Virginia Department of Housing and Community Development, and is being run in conjunction with area partners that include the City of Charlottesville, the United Way of Greater Charlottesville, the Monticello Area Community Action Agency, and the Nelson County Community Development Foundation. Funding comes from the federal CARES Act, and up to \$2.2 million is expected to be available in our region as demands are met. The program will make rent and mortgage payments that are in arrears for eligible individuals or families who have experienced a loss of income due to the pandemic.

The **Central Virginia Regional Housing Partnership (RHP)** postponed its annual summit, but has added a Fall "Lunch & Learn" program for September, October, November and December to address four regional housing topics. The Partnership adopted its Strategic Plan, now available on the TJPDC website [here](#). The RHP completed project scoping for a regional housing website, and is preparing an RFP for web development consulting services.

The 2020-2021 program year **HOME Action Plan** was approved by the TJPDC Commission in May following a public hearing. Activities across the region planned for the program year beginning July 1, 2020, include more than 20 homeowner rehabilitation projects and 10 down-payment assistance projects for first time homebuyers, construction of at least one

new home for purchase, and construction of three rental units.

The TJPDC was awarded a \$107,656 **Housing Preservation grant** from the U.S. Department of Agriculture to continue to help with repair and/or rehabilitation of housing owned or occupied by low- and very-low-income rural residents.

The **Thomas Jefferson Community Land Trust (TJCLT)** contract with TJPDC to staff the Land Trust has been extended for FY21. The TJCLT Board of Directors adopted its budget at its most recent meeting in mid-June. TJCLT was awarded funding of 36,000 in June from the Virginia Housing for operations. TJCLT staff and the Board are working on the next development project of Land Trust homes.

Legislative Liaison:

The Legislative Liaison wrapped up work at the 2020 General Assembly in mid-March, and then monitored the April reconvened session of the legislature that dealt with gubernatorial amendments. In advance of this April session, he advocated on behalf of the localities for authority for public bodies to hold electronic meetings and for the legislature to preserve funding for localities in light of declining state revenues. He also completed the **General Assembly Final Legislative Report** highlighting action taken on legislative bills and the budget at the 2020 session of the General Assembly. The document highlights various items of interest to local governments by budget and bill topic area. The report was distributed by e-mail and posted on the TJPDC web site. He also presented a legislative update to the TJPDC Commission.

He attended various virtual meetings related to particular legislative and budget/finance discussions. He organized the virtual April Mayor & Chairs/CAOs meeting, as well as helped plan a special expanded Mayor & Chairs/CAOs meeting in May that included UVA and the local health department to discuss COVID-19 response and recovery. He drafted the agency's "Return to Work" policy and action plan. Finally, the liaison continues to serve as part-time Executive Director of the Virginia Association of Planning District Commissions; the VAPDC is contracting with TJPDC for his services.

Local/Regional Support:

TJPDC staff met with Fluvanna County planning staff to refine a survey for gathering community feedback on goals for the Fluvanna side of the **Zion Crossroads area**. Those surveys were disseminated and we have started to receive responses. The consulting team will be launching a MetroQuest survey of transportation system needs soon, and TJPDC staff is working with VDOT and the consulting team to plan a virtual public engagement opportunity for the study area.

Field work for the **Albemarle Community Inventory** wrapped up on the second study area. The work was conducted by TJPDC by staff and two summer interns.

Transportation:

TJPDC staff to the **Charlottesville-Albemarle Metropolitan Planning Organization (CAMPO)** partnered with the City of Charlottesville and Albemarle County to host a public workshop on the Smart Scale projects proposed for submission to VDOT. The workshop covered the 17 projects submitted during the preapplication period in the CAMPO area. The MPO hosted a [webpage](#) with a summary of the Smart Scale process and informational graphics for each project. Between 60 and 70 people participated in the online workshop over the two days and nearly 280 comments were collected by the end of May.

The MPO conducted public hearings and then approved the Unified Planning Workplan

(UPWP) and Transportation Improvement Program (TIP), while also working with VDOT to adjust the TIP - Federal Programming for the Route 20 (Belmont) Replacement in the City.

The various transportation advisory committees staffed by the TJPDC held meetings in May. **The MPO Technical Committee** met to discuss the recommended draft UPWP for consideration by the MPO Policy Board. It also received a report on the Smart Scale public workshop. At the upcoming MPO Tech meeting, committee members will review the updated Public Participation Plan.

The **Rural Transportation Advisory Committee (RTAC)** met on May 19 and reviewed the FY21 rural work program, which had been approved by the TJPDC Commission at its May meeting. At the upcoming Rural Tech meeting, committee members will review the anticipated timeline for projects identified in the FY21 work program. The **Citizens Transportation Advisory Committee (CTAC)** also met, with Smart Scale, the UPWP and TIP on its agenda.

The **Regional Transit Partnership** met in both May and June, receiving updates from CAT and JAUNT. RideShare reported on changes to services and funding due to COVID-19. There also was a staff presentation on the “Future of Transit amid COVID-19.” The Transit Reporting and Equitable Driver Appreciation subcommittees also met in June.

Staff submitted a **federal grant application to the U.S. Department of Transportation** for approximately \$700,000 for planning a renovation to the existing Amtrak station site to accommodate projected increases in ridership and to better meet community needs. Notification of any award should be made by this Fall.

RideShare:

In partnership with AgileMile, our trip planning software provider, RideShare set a challenge to log 100 telecommutes during the month of May and AgileMile would donate \$100 to the Blue Ridge Area Foodbank on our behalf. We finished the month of May with 199 telecommutes!

Budget revisions were done for both FY20 and FY21 to DRPT during the quarter and RideShare has been approved to roll over FY20 funding into FY21. RideShare also received first quarter funding for program operations of FY21 through the CTB.

The Afton Express is on hold for funding, but the tagline and logo were selected by the stakeholder group in May. The Afton Express transit service will connect Staunton, Augusta County, and Waynesboro with Charlottesville and Albemarle County.

Commission:

After canceling its April meeting, the TJPDC Commission held virtual meetings in May and June. Over the two meetings, the Commission approved the agency’s FY21 budget and work plan and elected officers for the coming fiscal year. It also received and discussed various reports. The next Commission meeting is scheduled for August 6.

THOMAS JEFFERSON PLANNING DISTRICT COMMISSION

**RESOLUTION GRANTING SIGNATURE AUTHORITY TO EXECUTE REAL ESTATE DOCUMENTS FOR THE
OFFER AND PURCHASE OF REAL PROPERTY**

WHEREAS, the Thomas Jefferson Planning District Commission charter became effective June 28, 1972 upon the approval of the local governments within Region Ten of the majority of the population; **and**

WHEREAS, the Charter of the Thomas Jefferson Planning District Commission in Article 1 Section 3 provides, "the COMMISSION shall be a public body corporate and politic with all the powers and duties granted to it by the Virginia Area Development Act"; and

WHEREAS, Virginia Code of Laws states, 15.2-4205 (B) 5, planning district commissions may apply for and accept, disburse and administer, for itself or for member localities so requesting, loans and grants of money or materials or property at any time from any private or charitable source or the United States of America or the Commonwealth, or any agency or instrumentality thereof; and

WHEREAS, Under Virginia Code of Laws, 15.2-4206 (1)(2)(3) Additional powers of planning district commissions states, planning district commissions may:

1. Acquire, lease, sell, exchange, donate and convey its projects, property or facilities in furtherance of the purposes of planning district commissions as set forth in this chapter;
2. Issue its bonds, notes or other evidences of indebtedness, whether payable solely out of the revenues and receipts derived or to be derived from the leasing, sale or other disposition or use of such projects, property or facilities or otherwise, for the purpose of carrying out any of its powers or purposes set forth in this chapter; and
3. As security for the payment of the principal of and premium, if any, and interest on any such bonds, notes or other evidences of indebtedness, mortgage and pledge its projects, property or facilities or any part or parts thereof and pledge the revenues therefrom or from any part thereof.

WHEREAS, the Thomas Jefferson Planning District Commission (Commission) has proposed to purchase certain real property located in Albemarle County, Virginia; and

WHEREAS, the Commission desires to facilitate the offer and purchase of the Property and, the execution of the documents related to it in the most convenient way possible; and

WHEREAS, the Commission desires to delegate authority to the Executive Director of the Thomas Jefferson Planning District Commission, Charles P. Boyles, II to facilitate the purchase the Property; and

WHEREAS, before any final conveyance of property occurs, requirements of the Thomas Jefferson Planning District Commission Charter, Article 1 Section 2 must be met as stated, “The principal office of the COMMISSION shall be in Charlottesville, Virginia. The location of the principal office may be changed by the concurrence of three-fourths of the COMMISSION members present at a regular meeting, provided that the clerk of the governing body of each member governmental subdivision has been notified of the contemplated relocation in writing at least thirty days before such meeting”; and

NOW, THEREFORE, BE IT RESOLVED by the Thomas Jefferson Planning District Commission Commissioners that Executive Director, Charles P. Boyles, II, is hereby authorized to execute any and all documents reasonably necessary or appropriate to complete the purchase of the Property, and is authorized to sign documents reasonably necessary or appropriate for those purposes in the name of the Commission; and

NOW, THEREFORE, BE IT FURTHER RESOLVED, all documents concerning the purchase of the property must be in a form satisfactory to the Commission’s legal counsel prior to execution.

ADOPTED this 6th day of August, 2020, at a regularly scheduled meeting of the Thomas Jefferson Planning District Commission.

Dale Herring, Chair
