

**To:** Thomas Jefferson Planning District Commission  
**From:** Christine Jacobs, Executive Director  
**Date:** February 2, 2023

**Re:** Draft Amended FY23 Budget

**Purpose:** To present the amended FY23 operating budget, to be used as the basis for financial reports throughout the remainder of fiscal year.

**Background:** The budget process for each fiscal year consists of three steps: 1) approval of the projected budget in September/October, setting the per capita rate, population basis, and amounts requested for specific programs, to serve as the basis for budget submissions to localities, 2) the operating budget adopted in May as prescribed in the TJPDC Bylaws, and 3) an amended operating budget for approval in March, to serve as the budget for financial reports through the year. The budget presented tonight is in draft form. At the March 2, 2023, meeting, the Commission will be presented with the final amended operating budget for FY23 for consideration and approval.

In your meeting packet is the Amended FY23 budget. For your reference, the FY21 Actual, FY22 Actual, the FY2 Original Operating-Approved, and the FY22 Amended budgets are included for reference. Staff operates from a detailed line item program working budget and is available to you upon request.

**Proposed Final FY23 Budget:** The recommended Amended FY23 budget incorporates changes to revenue and expense assumptions from the original FY23 budget adopted at the May 5, 2022 meeting and is adjusted to include changes that have occurred during the first half of FY23 and changes that are projected to occur during the second half of FY23. The amended budget includes total projected revenue of \$41,343,674 and expenditures of \$39,612,257 for an anticipated net gain of \$52,502.

Changes to revenue in the Amended FY23 budget include:

- Federal Revenues:
  - Several local match commitments for the Virginia Telecommunications Initiative (VATI) grant were originally budgeted as local revenue, however, several jurisdictions have determined that their match will come from a federal source to include American Rescue Plan Act (ARPA) funds. Therefore, revenue from the local line item was shifted to federal revenue.
- State Revenues:
  - Regional Transit Vision Plan – unused FY22 budgeted state funds were rolled over into the FY23 budget.

- Regional Transit Governance Study – The TJPDC was awarded a \$122,323 grant to complete a regional transit governance study. Half will be budgeted in FY23 with the other half budgeted for FY24.
- Virginia Eviction Reduction Pilot award – The TJPDC was awarded a VERP 3.0 grant in the amount of \$270,000. The grant will be split across years FY23 and FY24.
- Local Revenues:
  - The largest difference in local revenues is a result of local match commitments for the Virginia Telecommunications Initiative (VATI) grant that were originally budgeted as local revenue, however, several jurisdictions have determined that their match will come from a federal source to include American Rescue Plan Act (ARPA) funds. Therefore, revenue from the local line item was shifted to federal revenue.
  - Regional Transit Vision Plan – unused FY22 budgeted local funds were rolled over into the FY23 budget.
  - Regional Transit Governance Study – The state grant award requires a 35% local match, provided by Albemarle County and the City of Charlottesville.
  - The Regional Housing Partnership received sponsorships to support the March 2024 Regional Housing Summit: Coming Back Home.
- Other Revenues:
  - Bank interest increased significantly from an anticipated \$500 to \$30,000 due to increasing interest rates in the Virginia Investment Pool account.
  - Rental space projected revenue increased from \$13,500 to \$26,000 due to an increased demand for meeting space post COVID-19.

Changes to expenses in the FY22 budget include:

- Slight decrease in Salary and benefits due to vacancies at the beginning of the year for Regional Housing Grants Manager, VATI Support Staff, and Regional Transportation Planner. All positions have been filled. Staff will receive a one-time bonus at the end of the fiscal year, pending available funding.
- Increase in supplies due to the increase in staff (to include the need to purchase desks, chairs, and desk accessories).
- Decrease in audit/legal – Spending in the VATI program in FY22 did not trigger increases in audit expenses, as originally budgeted.
- Decrease in contractual expenses due to grant awards and the need to contract with consulting firms.
- Increase in Equipment Data Use due to the purchase of a vehicle for the Compliance Agent's use for the Blue Ridge Cigarette Tax Board. There is an equal decrease in the Travel/Vehicle line item.
- Decrease in professional development due to allocating professional development directly to relevant programs.
- Overall changes in direct expenses (other than salary/fringe) show a slight decrease from \$426,843 to \$475,252.

Overall, we expect revenues to exceed expenditures by approximately \$52,502 for the year. This is a conservative estimate with the potential to earn greater net gains by year end.

Staff is working on the FY24 budget to be delivered to you in April. The excess revenues accumulated in FY23 may be required to be used to balance the FY24 budget. Additionally, staff will be reviewing the agency's pay scales and how they compare to our local governments. Staff may recommend adjustments to the TJPDC pay scale starting in FY24.

**Recommended Motion by Commission:** *None at this time. This is a draft of the amended FY23 budget. A final will be brought to the March 2023 meeting for consideration and approval.*
