PROJECT PIPELINE

CULPEPER DISTRICT

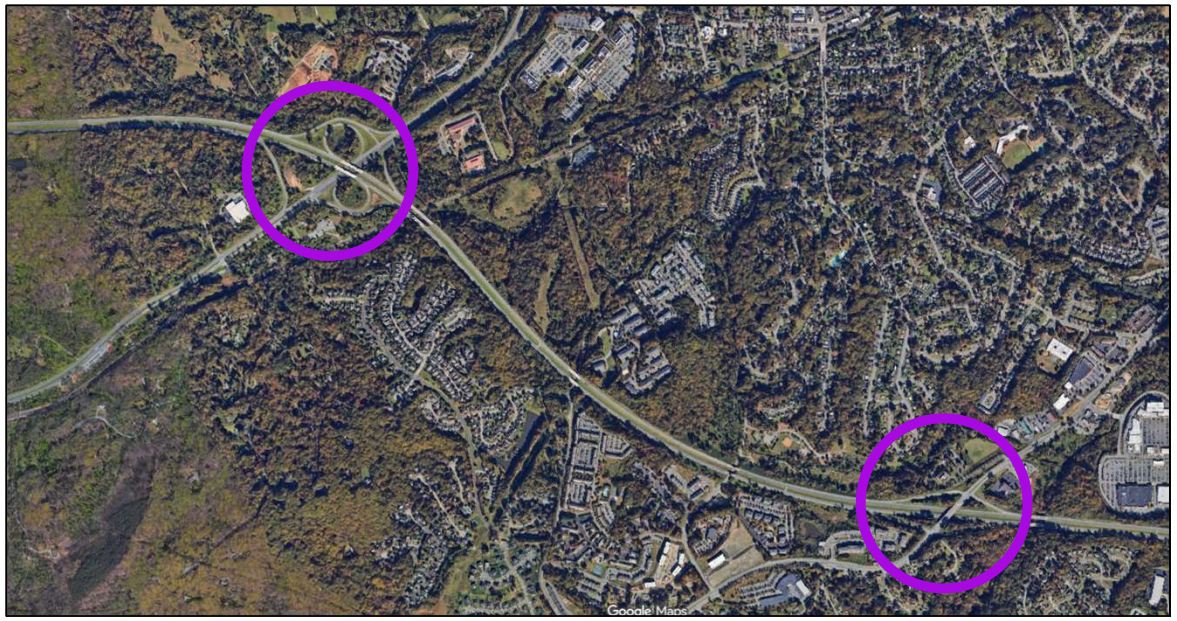

Charles Proctor/Sandy Shackelford – POC/Culpeper District

Albemarle County Studies

November 19, 2025

Culpeper District Projects

- CU-25-01: US Route 29 from I-64 Interchange (Exit 118) to Fontaine Avenue Interchange
- CU-25-03: 5th Street from Pinehurst Court to Harris Road

CU-25-01: US 29 & I-64

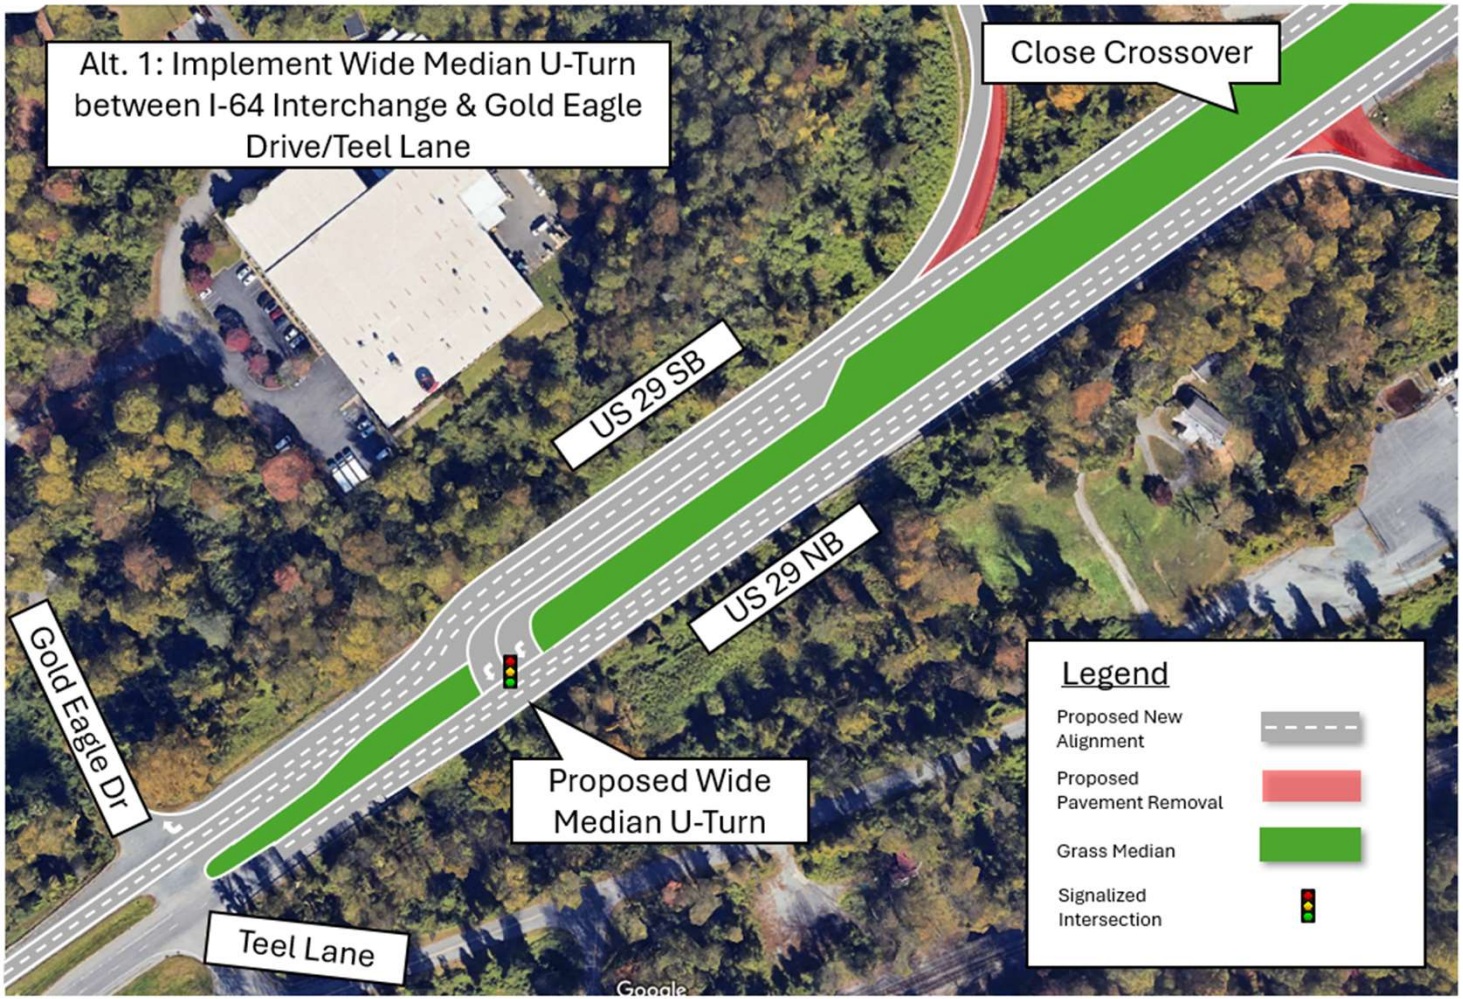

VTRANS Needs
Safety Improvement
Congestion Mitigation
Transportation Demand Management (TDM)
Transit Access
Bicycle Access
Pedestrian Access

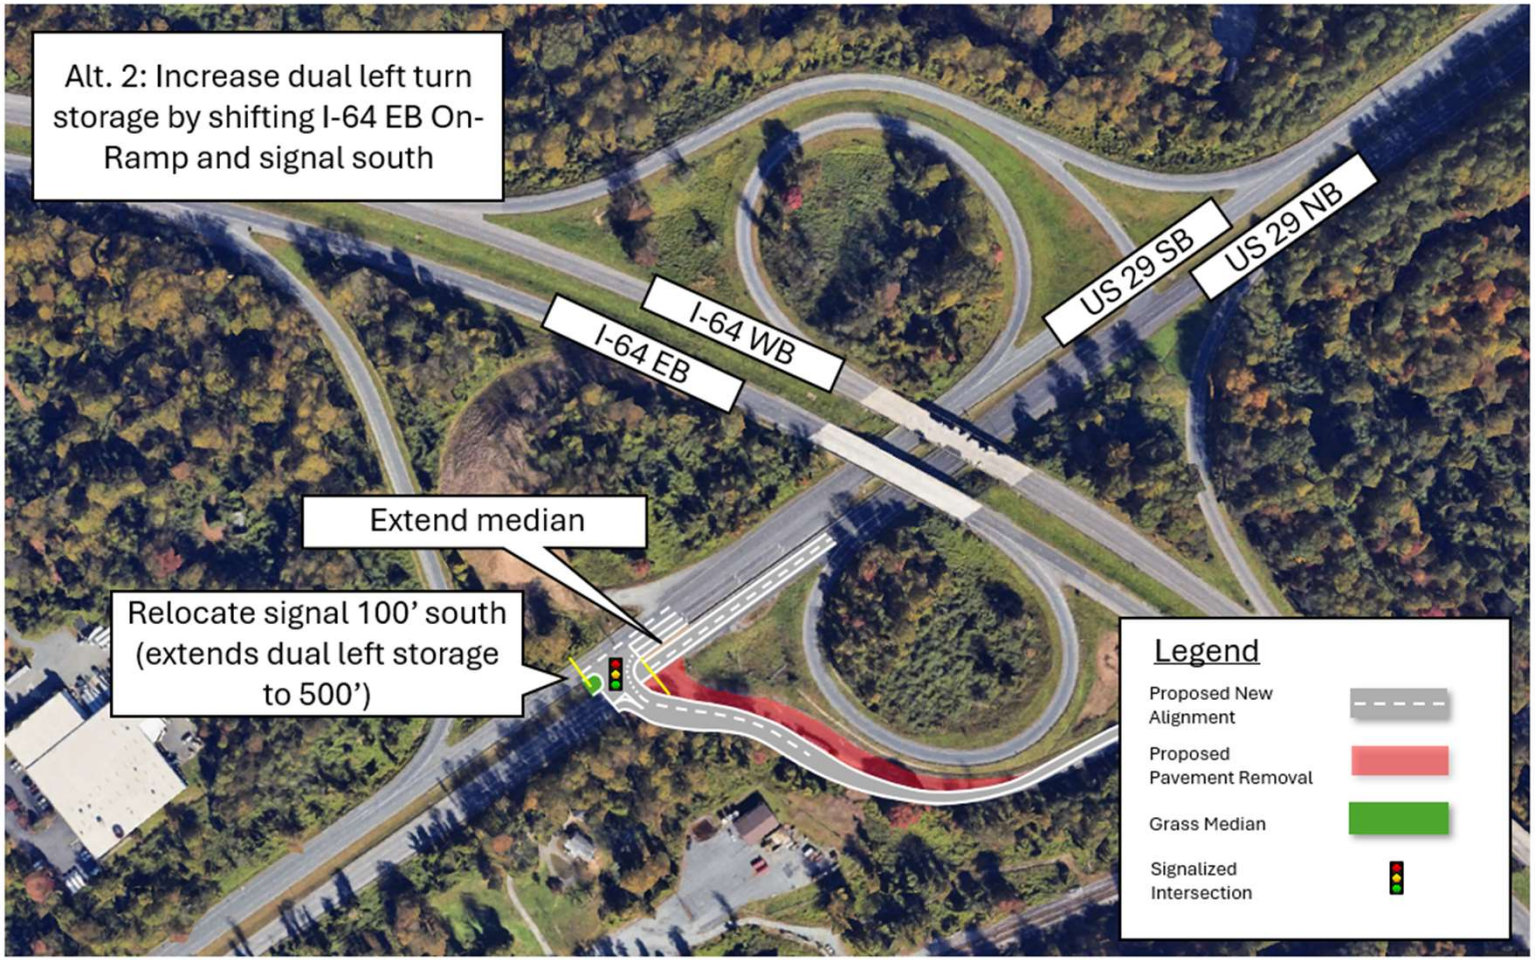

Study Purpose, Goals, and Objectives

To resolve the traffic backup of the dual left-turn lane from US Route 29 southbound to get onto I-64 eastbound. There are significant safety concerns here due to the short turn lane length. The study also aims to improve the small park and ride lot located on Teel Lane, just south of the interchange on the east side of US Route 29 southbound.

Alternative 2

Alternative 3

CU-25-03: 5th Street

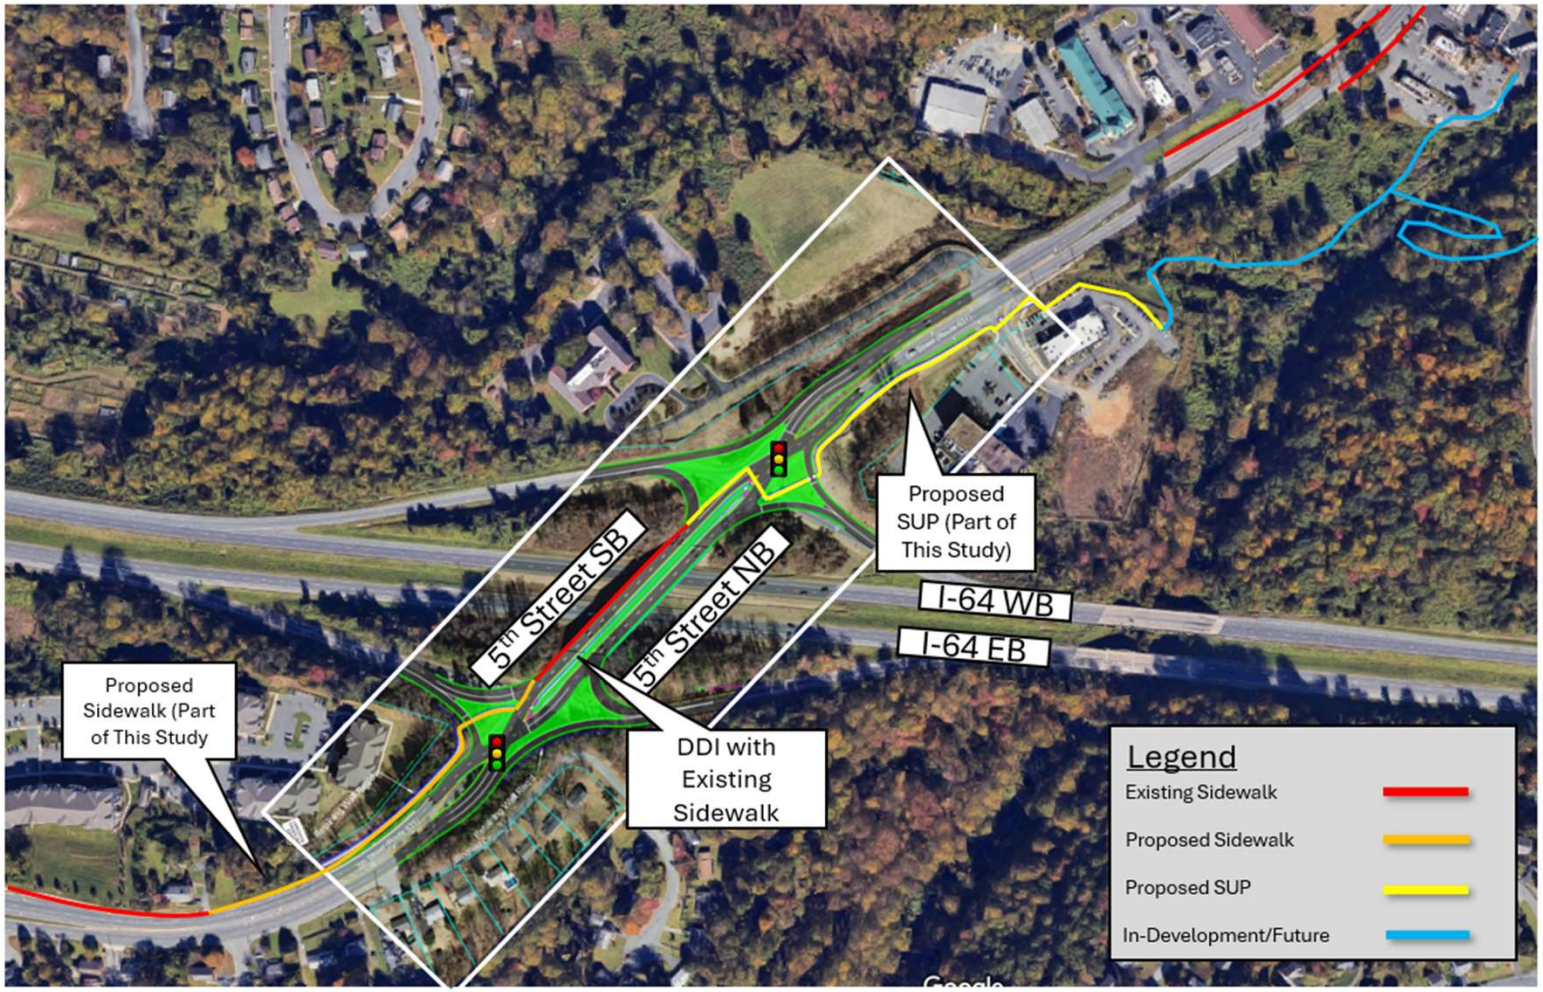

VTRANS Needs	
	Safety Improvement
	Capacity Preservation
	Transportation Demand Management (TDM)
	Rail Reliability
	Bicycle Access
	Pedestrian Access

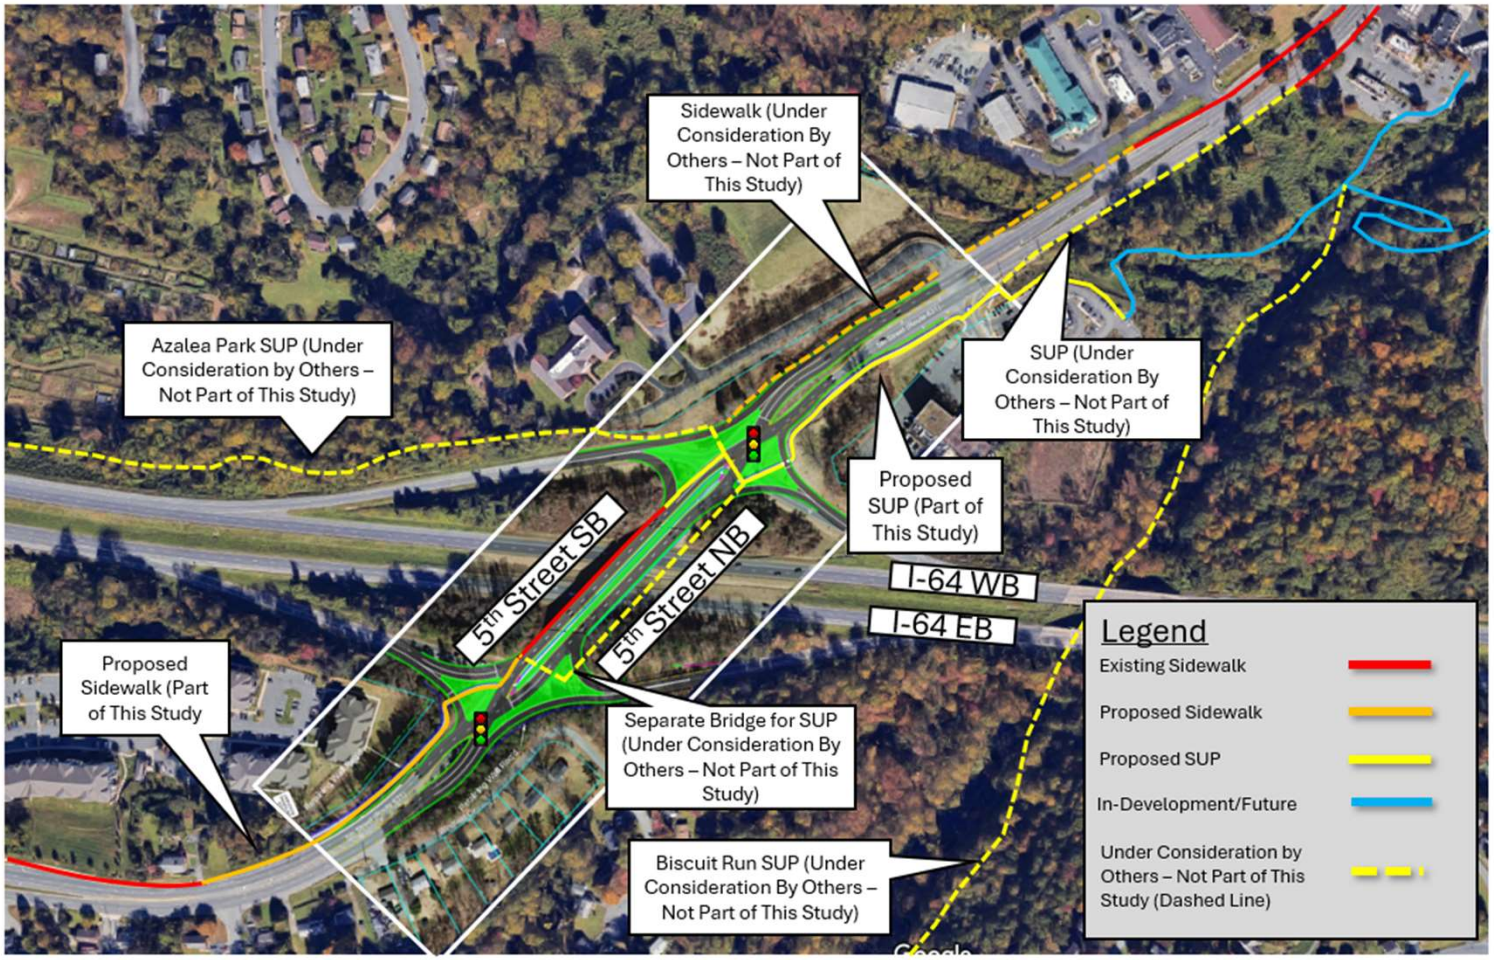

Study Purpose, Goals, and Objectives

To re-evaluate previous studies and SMART SCALE applications along the corridor to refine and value-engineer solutions with improved benefit-to-cost potential. The study will result in updated concepts for consideration in the upcoming Round 7 of SMART SCALE.
